Los Altos de los Monteros is a unique and very privileged location set above the famous beachside residential community known as los Monteros where palatial villas are situated close to the beach, and home to world-renowned La Câbane Beach Club.

For those who wish to live in a tranquil and natural environment, this area is highly recommended. On this hill are found a number of wonderful apartment complexes, including the Resort of Samara, which is where we go to visit this incredible 3 bedroom penthouse.

Samara is a gated community which has been designed around the concept of a home-from-home resort. Driving up the hillside from the beaches of Marbella East, the views start to soothe the senses and prepare us for a tranquility like no other. Entering the resort through the 24 hour manned security gate, the driveway leads to the underground secure parking where there are no less than 2 designated parking places and a large storeroom for the Marbella Penthouse. Travel up from here in a lift that arrives on the landing right outside the front door to this property. On entering this home the views are the unmistakeable initial experience which are key to this type of property. Blue skies, panoramic open views to the Mediterranean and a huge wrap around terrace define the type of lifestyle that awaits you.
