Landscaped routes through green areas connect the different phases and large communal areas: coworking area, pilates room, gym, sauna, Turkish bath, massage room, heated swimming pool, multi-purpose room, bar with outdoor terrace and covered relaxation area next to the main pool. Next to the main pool there will be a solarium area to enjoy the more than 320 days of sunshine a year, as well as the average annual temperature of 20°C of the Costa del Sol.

The complex is located in the heart of Reserva del Higuierón, strategically located between the most popular cities on the Costa del Sol: Malaga, the capital, and Marbella, the international benchmark for luxury.
